

INFOTEL HELPS VISUALIZE THE NARA FRAMEWORK FOR ELECTRONIC RECORDS PRESERVATION

ASSESSING RISK

Apply the NARA Risk and Prioritization Matrix for preservation sustainability.

ACTION PLANS FOR FILE FORMATS & FILE CATEGORIES

Provide specifications and digital preservation resources with tools and actions for file formats that become organizational policy.

DATA AVAILABILITY & ACCESSIBILITY

Every quarter assess the risk of format age revising available tools to access format. Incorporate additional resources to preserve format accessibility.

ACCOUNTABILITY & TRANSPARENCY

Continue ongoing research and conversations about existing archives. Do previous archive assumptions hold? Is the risk to access and security still low?

VISIBILITY TO COMPLIANCE POSTURE

Adherence to the ever-evolving landscape of data privacy regulations like GDPR and CCPA by having processes to ensure compliance with relevant laws.
